## **RESULTS FOR PYMBLE**

Fifty players engaged the testing and typically Australian Pymble course on 17 February on a hot humid day, but were rejuvenated in the clubhouse as they finished by a satisfying BBQ and desserts dinner, which was part of the deal. The prizes were distributed as follows:

4 Ball Winners ..... Brad Fisher/Scott Williams 48pts  
- Runners Up ..... Greg Moore/Peter Dind 47pts  
Singles Winner ..... Ian Smith 39pts  
- Runner Up ..... Rory Simmington 37pts  
Longest Drive ..... Paul Chapman  
Nearest the Pin ..... Michael Gilbert (11<sup>th</sup>)  
..... Bob Jelfs (18<sup>th</sup>)

Bob Jelfs almost achieved a hole-in-one on the 18<sup>th</sup> hole, his ball finishing 20cms short and dead online. In subsequent retellings of the shot, Bob has the measurement getting smaller and smaller, quite the opposite to his fishing stories.

### 1997 SNOOKER & BILLIARDS TOURNAMENTS

Entries for the 1997 Snooker & Billiards Handicap Tournaments are now being taken and the numbers are growing rapidly. Entry is only \$10 for each tournament and new members are encouraged to visit the room, meet our Club Professional Paddy Morgan, and enter the tournament.

The Snooker Handicap is one of the highlights of Tattersall's club with over 120 players competing each year. The tournament was the richest pro-am tournament in the world in 1995 and 1996 and could well achieve similar status in 1997. In addition to the Snooker Handicap, the Club conducts a Billiards Handicap Tournament as well as a number of other tournaments including doubles afternoons.

The success of the tournaments is a tribute to the tremendous efforts put in by the Snooker Sub-Committee Secretary and Treasurer Doug Jordan, who is a life member of the Club and has been on the Snooker Sub-Committee for over 15 years. In addition to building the tournament to what it is today, Doug has successfully overseen the room through a number of changes including new Club rooms

and succession of Committees. Doug is not well at the moment and we wish Doug a quick recovery and hope he returns to the room quickly. The quicker the better as young Arthur O'Connor is winning too often, at both Gin and Snooker.

**New Members** The Club has arranged for a free snooker lesson with the Club Professional Paddy Morgan, and new members wishing to take advantage of this offer should contact Paddy via the Snooker Room.

1997 The Sub-Committee has been developing a range of new ideas for the room and 1997 should be an exciting year for all players, new and old. Details will be posted in the Newsletter and the Snooker Room as they become available.

## SWIMMERS

THE 1997 SEASON OPENED ON TUESDAY 4 FEBRUARY, AND WHAT A DAY IT WAS. A NEAR RECORD NUMBER OF SWIMMERS CAME ALONG AND WE HAD SOME WONDERFUL RACES AND CLOSE FINISHES.

WE ALSO WELCOMED SOME NEW MEMBERS NAMELY JOHN CAHILL, RICHARD HEATH AND BEN BURNEY. FROM THEIR RECORDED TIMES OVER 50 METRES THEY WILL BE STRONG CONTENDERS IN THE VARIOUS POINTSCORES DURING THE SEASON. IT WAS ALSO GOOD TO SEE TIM MAUNSELL AND HARRY TURNER RETURN TO THE POOL.

THE GOOD NUMBERS HAVE CONTINUED OVER THE WEEKS, WHEN ON TUESDAY 18 FEBRUARY WE HAD A NEAR RECORD OF SWIMMERS COMPETING IN THE OVER 50 METRE SPRINT. IF THE ABOVE TREND CONTINUES DURING 1997 WE ARE HEADING FOR A WONDERFUL YEAR IN THE POOL.

IN CLOSING, THE SWIMMING SUB-COMMITTEE WISH TO THANK YOU ALL FOR YOUR SUPPORT AND WE WELCOME ANY NEW SWIMMERS WHO WISH TO JOIN IN OUR RACES EVERY TUESDAY AND THURSDAY.

## PLEASURE TO MEASURE

(NEXT DOOR TO TATTERSALL'S)

The tailor's cutting-bench you see in the Vince M shop isn't there for decoration. Custom-tailoring is something Vince Maloney is very good at. And a VM suite tailored for you is not even costly; say from \$1,000 (trousers \$265).

A lot of VM customers enjoy tailored-to-measure shirts also and are surprised, at first, to learn that a custom-tailored VM shirt of fine English cloth costs about \$210 less than most big-name imports. For patriotism or for saving dough, think about having your suits and shirts tailored-to-measure.

Just do it ..... like the ad says. VM

# Tattersall's Athletic Department

Weekly Newsletter for the week beginning Monday, 24/2/97

## Fit-tip of the week – Goal setting

All good athletes set goals, otherwise they can spend a long time doing the wrong training, learning the hard way, getting bored or taking longer than needed to improve. Athletes with goals set themselves a target that is specific, measurable and realistic, and a plan to achieve it.

## Quote of the week – Spanish Proverb

“A wise man changes his mind, a fool never will”

## Recipe of the week - Meatloaf

*Ingredients:* 500g lean minced beef, 1 cup fresh breadcrumbs, 1 clove garlic (crushed), 1 carrot (grated), 2 cups three bean mix, 2 tablespoon tomato paste, ground pepper, 1 onion (finely chopped), ¼ capsicum (finely chopped), 2 tablespoon parsley (chopped).

*Directions:* Combine all ingredients. Press mixture into a non-stick loaf pan, (if you don't have one, get one!). Bake at 180°C for one hour. Serve with corn on the cob and potato, (no butter or margarine!).

*Serves:* 6      *Per Serve:* 4g of fat

## Gutbuster Course # 2, Don't Miss Out!!

The first course is a sellout. The second is already ½ full. Course starts on Wednesday 2<sup>nd</sup> April, 1997, and runs for six consecutive Wednesdays, between 6.00 pm and 7.00 pm. Book at reception.

## New Classes

Check the timetable over page for two new additions to the timetable, 'Swim Squad' & 'Kid Fit'.

## Feedback wanted

Would you like some other seminars like Garry Egger's Fat Loss Seminar? If so, what on? How about 'sports injuries' or 'exercise and the needs of the elderly'? Please give your feedback to Staff or via the feedback box near the noticeboard.

## Nominations wanted

Nominations for 'March Athletic Department Member of the Month' are needed. Please give your nominations, together with reasons for your nomination via the feedback box.

## Selected Member Feedback for the week

*Comment:* Can the Athletic Department get a boxing ring to compliment the boxing area?

*Reply:* I'm sure a boxing ring would be very popular with the members. However, as floor space is limited, the number of members to benefit from this facility per square meter of floor space would be low. Other facilities such as more locker room space, more treadmills and a separate circuit area are higher on the priority list.

To contact the Athletic Department, please call 9264 6111, (ext. 28)

# EASY WINE FACSIMILE ORDER FORM

## **Rouge Homme Richardson's White Block Coonawarra Chardonnay 1995**

Complex and elegant, this wine epitomises the cool climate varietal character associated with Coonawarra Chardonnay. Premium ripe fruit married with the complexities of barrel fermentation and oak maturation have produced a full-flavoured style with great character. The colour is light straw-green. The bouquet shows attractive melon and citrus-like fruit characters, enhanced by a background of soft, buttery barrel fermentation and sweet nutty oak influence. **Price per dozen - \$143.50**

## **Hungerford Hill - Cowra Chardonnay 1995**

This rich, full flavoured Cowra Chardonnay is an excellent example of contemporary Australian style. The wine has a bright, lemon straw-green colour. The fresh and inviting bouquet shows complex, ripe melon and fig-like varietal and regional fruit characters, enhanced by butterscotch nuances from barrel fermentation. **Price per dozen - \$160.00**

## **Rouge Homme, Coonawarra Pinot Noir 1995**

This is a complex and stylish wine with wonderful varietal aromas and flavours. The wine has a youthful and intense bright crimson colour. There is abundant lifted and fragrant varietal spice, strawberry and plum fruit on the bouquet with cool climate gamey and leafy characters, enhanced and complexed by charred vanillin oak. **Price per dozen - \$143.50**

## **Tulloch, Hunter Valley Verdelho 1996**

The wine has a youthful, light to medium full green colour. Its lifted bouquet shows aromatic tropical fruit and ripe, fresh melon-like characters, typical of Hunter Valley Verdelho. The medium bodied palate is wonderfully fresh and tangy with soft, attractive fresh citrus and green apple varietal fruit flavours, finishing clean and dry with crisp acidity. **Price per dozen - \$130.00**

## **Penfolds Barrel Fermented Semillon 1994**

the wine has a medium pale straw colour with youthful, vibrant green hues. The bouquet shows well integrated and finely balanced fresh, tropical fruit and light herbaceous Semillon aromas with soft barrel fermentation overtones. An underlying butterscotch complexity derived from barrel fermentation is evident as well as a subtle vanillin oak character. **Price per dozen - \$174.00**

## **Penfolds, Barossa Valley - Old Vines Shiraz - Grenache - Mourvedre 1993**

The wine has a good depth of brick-red colour with crimson hues. The bouquet features youthful, raspberry jam and liquorice fruit characters derived from the Shiraz, Grenache and Mourvedre with a hint of earthiness. These enticing varietal characters and traditional barrel maturation have resulted in some boiled fruit-cake aromatic complexities. **Price per dozen - \$226.00**

## **Tattersall's Club Collectors 'Mixed' Dozen - \$160.00**

(two bottles of each of the above wines per case)

## **Tattersall's Club Members Dozen - \$107.00**
